

In an effort to combat the growing narcotics and prescription pill abuse that is ever growing across our country we have partnered with Partners for Prevention in Allegany County and placed a drug drop box in the lobby of the police department located at 5 Bull Street Cuba, NY 14727. Anyone who wishes can stop in at any time and drop any unwanted or unused/expired drugs in the box and there is no questions asked. All we ask is that you black out your personal information but leave the name of the drug on the container so that we can separate the narcotics. These narcotics are then sent to Niagara County to an incinerator where they are safely disposed of instead of being flushed back into our water systems where they can contaminate our communities. Anyone with any questions on how this was made possible can call the Cuba Police Station at 585-968-1666.
