***Do parents have to stay?** If your child is five or older AND you are confident he/she can behave unsupervised at the park, the answer is no. However, **REC IS NOT A BABYSITTING SERVICE.** We cannot keep children at the park nor keep track of where he or she goes.

For full rules for participation, visit the village office. No lunch provided at the time of this publication.

Please provide your child daily with sunscreen, adequate face covers, have them pack a water bottle, and be prepared for fun days exploring and creating. NYS rules for social distancing and Covid-19 guidelines will be strictly followed to ensure the safety of all. Temperatures will be taken daily and a Covid-19 attendance log will be kept.

We will sanitize the park equipment daily and have hand sanitizer, but feel free to send your own.
