

School Resource Officer Program

SRO's are community police officers within specific schools who work to build trusting relationships with youth, school staff and the community to create safer schools.

SRO's are available to provide presentations, attend meetings and safety events.

SRO Benefits

- Improved relationships with youth, parents, staff and community.
- Safer schools.
- Better collaboration and communication among law enforcement, students and staff.
- Positive access to youth in the role of a mentor.
- Enhanced learning environment, using law related educational curriculum.

SRO's have a profound impact on youth and their schools

Provide home visits	Refer students and families to community resources
Provide truancy prevention & intervention	Conduct professional development presentations for faculty and staff
Provide classroom safety education presentation	Counsel students and facilitate conflict mediation
Provide support to students	Participate in Student Assistance Program (SAP) meetings
Provide substance abuse and violence prevention education	Support counseling staff
Provide school site security surveys	Attend field trips

The Cuba Police Department School Resource Officer provides protection and educational programs as well as mentorships to 3 Cuba-Rushford School campuses located within our jurisdiction.
